MAJOR C. T. C. PLOWDEN,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 17th December 1919.

In continuation of my letter No. 7647, dated the 7th October 1919, I am directed to forward for the information of the Durbar a Press Communique dated the 27th November 1919, issued by the Government of India and to state that the Government of India say that it will be necessary to maintain restrictions against the export of gram and wheat from the Punjab and the United Provinces, at least up to the end of January 1920 and they fear that they may not be able to relax them before the end of March in those Provinces. The Government of India have decided that the amount which can be exported from the Punjab cannot exceed for the present 32,000 tons a month and from the United Provinces 20,500 tons a month. From this total, the Government of India have alloted for Mysore 200 tons of wheat and 400 tons of gram per month for December 1919 and January 1920.

I have the honour to be,
Sir,
Your most obedient servant,

FIRST ASSIS[illegible]

PRESS COMMUNIQUÉ.

The Government of India have already announced that it is not yet possible to remove the restrictions on the movements of foodgrains into and from Baluchistan and the North-West Frontier Province, and they have now decided that railway priority certificates must be retained for some time longer to authorise the export by rail of wheat and gram from the Punjab and the United Provinces to other provinces. Subject to the above exception, all restrictions on movements of wheat and gram will be removed on and after 1st December next..
